Set Up Conveying Parameters

Standard Color Touch Screen PLC Control for 25, 50, 75, 100 and 150 lb. / hr. Mobile Wheel Dryers with Hopper and Conveying package.

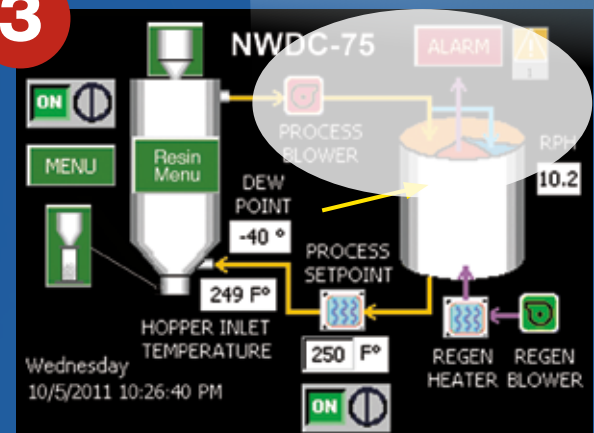

- NO Confusing Codes
- NO Annoying Function Buttons
- NO Manual Look-ups
- NO Extra Charge!

Novatec pioneered touch screen PLC technology for wheel dryers over 5 years ago featuring a rugged, industrial tested, commercial, non-proprietary PLC package. Now, we've done the same thing for our new mobile wheel dryers.
